

To those looking for the perfect wedding coordination company:

Weddings of Romance provided outstanding service planning our wedding and we highly recommend them. Megan and Charla, our coordinators, were always cheerful, dependable, organized and available to answer our questions or confirm arrangements regarding our reception, ceremony, etc. Megan & Charla understood from our initial meeting how important and unique our wedding was going to be, she always made us feel respected, and treated exceptionally.

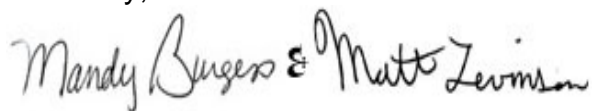

The day of my wedding my make-up and hair artist, that I had arranged, did not show. Megan and Charla didn't miss a beat. They got on their phones and started calling. Charla reminded me not to cry because it would make my eye puffy – little things I wouldn't even think about. Within minutes I had a new make-up and hair artist for that hour that day!!! It was amazing!!!

I was thrilled when I walked down the church aisle and saw how beautifully everything was decorated. There was a great deal of attention to detail given to both my wedding ceremony and reception. Weddings of Romance took all my worries away! The ability to relax on my wedding day, knowing all the details were in the hands of the professionals; my two coordinators were a blessing. My husband, Matt and I were so pleased when our guests and family commented on how beautiful the wedding was.

All the staff and services received by the Weddings of Romance team were of the highest quality. If I had to do it all over again I would use Weddings of Romance again in a heart beat. I think the only thing I would change is use the vendors that Weddings of Romance refers. Some of the vendors I picked didn't work out so well. The ones that Weddings of Romance brought on board were exceptional.

Thank you Megan & Charla – You made our wedding planning stress free and our wedding day amazing.

Sincerely,
